ronak@patelronak.in

I am a UI/UX developer. I have 4 years of experience in this area. I have good proficiency in the areas of UI Design, UX, Web Design, PSD to HTML responsive, jQuery. I can take up any given work with dedication and prove to put in my best to benefit you.

You can expect clean, detailed and high-quality UI designs for desktop, web and mobile devices from me. I try to come up with designs that are focused on simplicity and user friendliness and also convert it to responsive HTML web for you.

## I'm good at

- ❑ Adobe illustrator
- ❑ Photoshop
- ❑ Sketch App
- ❑ Logo Design
- ❑ Branding
